Spelling Game – **Double, Drop or Just Add Derivative Rules**

By: Dottie Campo and Michelle Pena

Materials: blank game board
dice (one)
game token
game cards (one copy)

Directions: prior to playing the game, review the following derivative rules:

b.w. + -C = +

b.w. _CC + -V = +

b.w. VV_ + -V = +

_VV + -V = +

b.w. _VC' + -V = X

b.w. _ Ce + -V = -

1. Student picks a card
2. On medium of your choice (white board, paper, boogie board, etc) student uses the derivative rules to correctly write the word from the card.
3. If the word is spelled correctly the student rolls the dice and advances on the game board. If the word is spelled incorrectly the student does not roll the dice. (Misspelled words should be modeled correctly by the teacher.)
4. Students alternate turns until one student reaches the end and wins the game.
